The White Mountain Trail System came into existence in February 1987 by what is now the White Mountain Horseman's Association. This is a system of 25 to 30 interconnecting multi use trails. Each trail takes advantage of the wonderful beauty of the surrounding area.

The trails are cleverly designed. Each trail takes maximum advantage of the beauty and vistas of the area with extreme care given to preserving the land, vegetation and wildlife. Land-scaped urban trails have multiple entrance
